**PETITION FOR LEAVE TO FILE "NATOLE'S COMMENTS ON
SUNY RESPONSE TO SHU/RSB SUPPLEMENTAL REPLY COMMENTS**

Raymond A. Natole (Natole) files this petition for Leave to File Comments on to the "SUNY Response to SHU/RSB Supplemental Reply Comments." The State University of New York (SUNY) in part of its response contends that Natole's counterproposal to add Channel 255A at West Hurley, New York should not be considered.

Good cause exists for grant of this petition. Natole proposes no new allocations in his comments on the SUNY response. He is merely presenting the legal and equitable basis for consideration of his counterproposal in response to SUNY. Consideration of the counterproposal is in the public interest since there has been no issue raised concerning its technical feasibility, and since consideration of the proposal will allow for consideration of the best possible allocation options before any final determination is made in this proceeding.

WHEREFORE, it is respectfully requested that this Petition by granted and that the Commission accept, "Natole's Comments on "SUNY Response to SHU/RSB Supplemental Reply Comments."
